

Let's Go Safely

6 Steps to a Safe Travel Experience at SAN

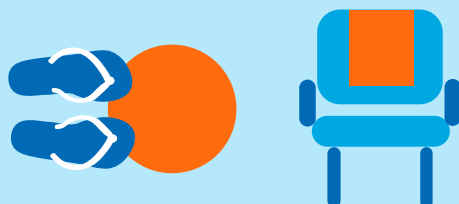

1

Plexiglass Shields

Located in high traffic areas like ticketing counters and security checkpoints.

2

Social Distancing Markers

Placed on floors in queuing spaces and elevators, and on chairs in gate areas.

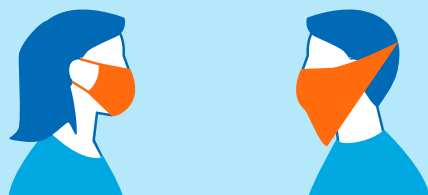

3

Safety Signage

Reminders throughout the terminals to practice preventive health measures.

4

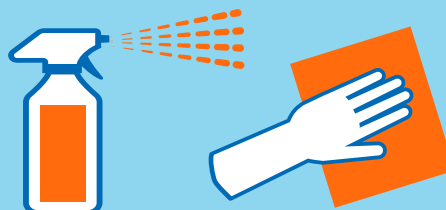

Face Coverings

Required for all passengers, visitors, and employees on the airport campus.

5

Cleaning

More frequent cleaning of high touch point areas throughout the terminals.

6

Personal Health Screenings

Mandatory for all employees at the airport.
