## 265 ACRES: *Let Wanderlust Rule...*

These days space is precious, and with 265 acres of gardens and golf course, we've got plenty of it. So we've decided to maximize our outdoor enjoyment, creating more room for guests to flourish privately, comfortably and **safely**. To play lawn games. To stretch carefree in a breezy yoga class. To bask in a garden for two. It's a golden time to rediscover Southern California's greater outdoors.

**Rancho Bernardo Inn is delighted to share a  
LIMITED-TIME FRIENDS & FAMILY OFFER.**

**Get away for \$149 a night.**

We're waiving resort fees, parking fees and cancellation fees with 24-hours notice. If your travel plans change, don't sweat it. We've got you covered.
