

UPCOMING CONVENTION ATTENDANCE PROFILE

National School Boards Association
Saturday, April 2 – Monday, April 4, 2022
Anticipated Attendance 3,900

Group Description

Founded in 1940, the National School Boards Association (NSBA) is a federation of state associations and the U.S. territory of the Virgin Islands. Through its member state associations that represent locally elected school board officials serving approximately 51 million public school students, NSBA advocates for equity and excellence in public education through school board leadership.

Attendee Profile

The NSBA 2022 Annual Conference & Exposition is the one national event that brings together education leaders to learn about best governance practices, gain insight into child development and learn about new programs and technology that can help enrich student learning. Their members are state school boards associations and U.S. territory of the Virgin Islands. State school boards associations are nonprofit organizations that represent local school board members who serve on local school boards and are dedicated to educating every child to his or her fullest potential and committed to leadership for student achievement. Local school board members govern over local school districts serving the nation's 50 million public school students.
