Alzheimer’s Association International Conference

July 31-August 4, 2022

Anticipated Attendance 6,000

Group Description

The Alzheimer’s Association International Conference is the largest and most influential international meeting dedicated to advancing dementia science.

Attendee Profile

AAIC convenes the world’s leading basic science and clinical researchers, next-generation investigators, clinicians, and the care research community to share research discoveries that’ll lead to methods of prevention and treatment and improvements in the diagnosis of Alzheimer’s disease.
