UPCOMING CONVENTION ATTENDANCE PROFILE

Sunday, August 21 – Thursday, August 25, 2022

Anticipated Attendance 1,250

Group Description

This is an annual convention for San Diego, and they have signed agreements with the San Diego Convention Center through 2025. SPIE, the international society for optics and photonics, was founded in 1955 to advance light-based technologies. Serving 255,000 constituents from 183 countries, the not-for-profit society advances emerging technologies through interdisciplinary information exchange, continuing education, publications, patent precedent, and career and professional growth. Over the past five years, SPIE has contributed more than \$22 million to the international optics community through advocacy and support, including scholarships, educational resources, travel grants, endowed gifts, and public-policy development.

Attendee Profile

The event where the latest advances are shared by the optics and photonics community in optical engineering, nanotechnology, quantum science, and organic photonics. Attendees will find plenty to like at this important meeting, including over 2,000 presentations and the latest technical results within 48 conference topics. This is the best opportunity to connect face-to-face for discussions about optical engineering and applications, nanotechnology, quantum science, and organic photonics.

Room Block

Saturday, August 20 th	Sunday, August 21 st	Monday, August 22 nd	Tuesday, August 23 rd	Wednesday, August 24 th	Thursday, August 25 th
