Group Description

The four pillars of fetch

Fetch dvm360 conference is all about taking care of the people who care for pets. We're providing the high-quality CE you need, but in a whole new way. Here's what that looks like:

We get it, you probably prefer to communicate with animals, not humans. But what if you had the chance to meet your next mentor, BFF, or star hire at Fetch dvm360 conference? You'll be among your people, with hundreds of practitioners from every niche industry and discipline.

**HUMAN
CONNECTIONS**

**ACTIONABLE
EDUCATION**

You'll leave with scores of new tips, killer techniques, treatment ideas and answers to your toughest diagnostic questions courtesy of our brilliant speakers, facilitators and additional educational opportunities.

You fight every day to prove veterinary medicine is a serious profession and that animals deserve our care and respect. And all of that fighting means that you also deserve a chance to unwind and loosen up. Our parties, game nights and fun exhibit hall happenings are that chance.

**FEARLESS
FUN**

**ENDLESS
INSPIRATION**

We don't just give you the knowledge to take back home, we'll inspire you to deliver the level of care you've always wanted to provide to the pets you see. Bring big ideas home from our keynote speakers.
