UPCOMING CONVENTION ATTENDANCE PROFILE

Society for Immunotherapy of Cancer

Wednesday, November 1 – Sunday, November 5, 2023

Anticipated Attendance: 6,500

Group Description

SITC 2023 provides a multidisciplinary educational and interactive environment focused on improving outcomes for cancer patients by incorporating strategies based on basic and applied cancer immunotherapy. The Annual Meeting consists of cutting-edge research presentations by experts in the field, oral and poster abstract presentations and ample opportunity for structured and informal discussions, including important networking opportunities. SITC 2023 also includes updates on major national and international initiatives from academia, government and industry, as well as important society projects.
