#### UPCOMING CONVENTION ATTENDANCE PROFILE

**2023 DoD Maintenance Symposium & SAE Defense Maintenance and Logistics Exhibition**

**Monday, December 18 – Thursday, December 21, 2023**

**Anticipated Attendance: 1,150**

#### **Group Description**

SAE International is a United States-based globally active professional association and standards developing organization for engineering professionals in various industries. Principal emphasis is placed on global transport industries such as aerospace, automotive, and commercial vehicles.

SAE International has over 138,000 global members. Membership is granted to individuals, rather than companies. Aside from its standardization efforts, SAE International also devotes resources to projects and programs in STEM education, professional certification, and collegiate design competitions.

#### **Symposium Details**

The Maintenance Symposium is the only official DoD event conducted by the Office of the Secretary of Defense that is entirely focused on the maintenance of weapon systems and equipment. The Symposium is the premier forum for the exchange of ideas from the greatest maintenance and logistics minds in the country as they discuss the pacing national security threats to the sustainment enterprise.
