SSH
Society for Simulation in Healthcare

24th Annual International Meeting on Simulation in Healthcare
Saturday, January 20, 2024-Wednesday, January 24, 2024
Anticipated Attendance: 4,000

Group Description

The Society for Simulation in Healthcare (SSH) is a professional organization focused on advancing simulation technology within healthcare. SSH aims to improve patient safety, elevate healthcare education, and encourage innovation through simulation-based training and research. They facilitate collaboration, offer resources, host conferences, publish journals, provide certifications, and establish standards across multiple healthcare disciplines to advance simulation integration and development.

Attendee Profile

IMSH is a gathering for healthcare professionals, educators, researchers, and industry leaders interested in leveraging simulation to improve healthcare. Attendees learn about the latest techniques and technologies, network, and collaborate to enhance healthcare education, training, and patient outcomes.
