Society for Personality and Social Psychology
SPSP 2024 Annual Convention
Wednesday, February 7 – Saturday, February 10, 2024
Anticipated Attendance: 4,000

Group Description

The Society for Personality and Social Psychology (SPSP) hosts an annual convention that brings together researchers and professionals interested in the fields of personality and social psychology. This convention serves as a platform for scholars to present their research findings, exchange ideas, attend workshops, and engage in discussions related to various topics within personality and social psychology. It's an opportunity for networking, learning about cutting-edge research, and exploring new developments in these fields. The SPSP Annual Convention is a significant event for those involved in the study of personality, social behavior, and psychological processes.

Attendee Profile

The SPSP Annual Convention is a gathering that brings together researchers, academics, graduate students, practitioners in various fields, industry representatives, and educators interested in personality and social psychology. It serves as a platform for sharing the latest research findings, academic discussions, networking, and exploring how psychological insights apply to diverse fields like marketing, education, and clinical practice.
