American Thoracic Society 2024 Annual Conference
Friday, May 17 – Wednesday, May 22, 2024
Anticipated Attendance: 16,000

Group Description

The American Thoracic Society (ATS) is a professional organization focused on advancing knowledge, prevention, and treatment of respiratory diseases. Established in 1905, ATS is a leading authority in pulmonary medicine, critical care medicine, and sleep medicine. It conducts research, organizes conferences, publishes journals, develops clinical guidelines, and advocates for policies promoting respiratory health. Its members include healthcare professionals involved in respiratory care, and the society plays a crucial role in shaping the field and influencing healthcare policies.

Attendee Profile

Attendees include professionals from various backgrounds including physicians, researchers, nurses, respiratory therapists, pharmacists, public health experts, industry representatives, advocates, and policymakers. They engage in knowledge exchange, networking, and collaboration to advance understanding, prevention, and treatment of respiratory diseases.
