American Society for Metabolic and Bariatric Surgery
ASMBS 2024 Annual Meeting
June 9 – 13, 2024
Anticipated Attendance: 2,500

Group Description

The American Society for Metabolic and Bariatric Surgery (ASMBS) is a professional organization dedicated to advancing the art and science of metabolic and bariatric surgery. It was founded in 1983 and is the largest organization for metabolic and bariatric surgery professionals in the world. The ASMBS promotes excellence in patient care by providing education, training, and resources for healthcare professionals involved in the treatment of obesity and related metabolic diseases. The Society also advocates for patients and promotes research to improve outcomes in metabolic and bariatric surgery.

Attendee Profile

These events are primarily attended by healthcare professionals specializing in metabolic and bariatric surgery, including surgeons, physicians, nurses, dietitians, psychologists, psychiatrists, researchers, and industry representatives.
