

A scenic view of the San Diego skyline and a marina filled with yachts. The sky is clear and blue, and the water is calm. Palm trees are visible in the foreground on the left.

Happiness is: The **Perfect Climate** for **Productivity.**

YASC - Yardi Advanced Solutions Conference

Tuesday, August 27 – Thursday, August 29, 2024

Anticipated Attendance 5,419

Group Description

Yardi is a company specializing in property management software. Founded in 1982 by Anant Yardi, the company provides comprehensive software solutions for real estate property and asset management. Their software is used by property managers, owners, and investors to handle various aspects of property management, including accounting, operations, and tenant management. Yardi's products are widely used in the commercial, residential, affordable housing, senior living, and student housing sectors.

Attendee Profile

Attendees include property managers, owners, asset managers, investors, industry professionals, current Yardi software users, technology enthusiasts, and vendors.
