**American Academy of Periodontology 2024 Annual Meeting**  
**Thursday, October 31 – , Sunday, November 3, 2024**  
**Anticipated Attendance: 5,000**

**Group Description**

The American Academy of Periodontology (AAP) is a professional organization founded in 1914 that supports periodontists, who specialize in gum disease and dental implants. It promotes research, education, and public awareness of periodontal health, sets standards of care, and offers continuing education and resources to dental professionals. The AAP also emphasizes the connection between oral and overall health.

**Attendee Profile**

Attendees include periodontists, dental professionals, researchers, and students interested in gum disease treatment and dental implants. It hosts conferences and educational events to help participants expand their expertise and stay updated on advancements in periodontology.
