AUTODESK.

Group Description

Autodesk, Inc. is a multinational software corporation renowned for its expertise in 3D design, engineering, and entertainment software. Founded in 1982, it provides solutions for industries such as architecture, engineering, construction, manufacturing, media, and entertainment. Autodesk's flagship products include AutoCAD, Revit, Maya, 3ds Max, and Fusion 360, empowering professionals to design, simulate, visualize, and collaborate on complex projects efficiently. With a commitment to innovation, Autodesk has become a leader in shaping the way design and engineering are approached and executed across diverse industries.

Attendee Profile

Attendees include architects, engineers, and designers from the architecture, engineering, and construction sectors, who use software like AutoCAD and Revit for project design and management.
