

Gypsum Management & Supply, Inc.

2025 GMS Expo

Wednesday, September 10th – Thursday, September 11th, 2025

Anticipated Attendance: 2,000

Group Description

Gypsum Management & Supply, Inc. (GMS) is a North American leader in specialty building materials distribution, founded in 1971 and operating through a broad network of locally managed subsidiary companies across over 40 U.S. states and Canadian provinces. The company offers a one-stop-shop experience for contractors, supplying gypsum wallboard, steel framing, acoustical ceilings, insulation, tools, and complementary interior construction products from over 20,000 SKUs. With more than 300 distribution centers and a centralized support hub in Tucker, GA, GMS blends national scale with responsive local service to ensure on-time delivery and project fulfillment. Its annual GMS Expo is a citywide convention that brings together suppliers, builders, and industry partners for education, networking, and product showcases, offering attractive economic and venue benefits for DMOs and hotels in host cities.

Attendee Profile

The Gypsum Management & Supply Inc. (GMS) Expo is expected to draw a wide range of attendees from across the construction, building materials, and distribution industries. Participants will include GMS employees, vendor partners, manufacturers, contractors, and industry professionals who work with gypsum wallboards, acoustical ceilings, insulation, steel framing, and related building products. The expo serves as a valuable opportunity for suppliers and partners to showcase new products and technologies while fostering business relationships with GMS team members from across the nation. Attendees will also likely include executives, purchasing managers, sales representatives, and operational staff who support the supply chain and project execution in commercial and residential construction.
