## DISTRIBUTECH<sup>®</sup> INTERNATIONAL

Clarion Events, Inc.  
DTECH 2026

Monday, February 2nd – Thursday, February 5th, 2026  
Anticipated Attendance: 20,600

### Group Description

The DTECH 2026 annual meeting in San Diego is a major gathering that attracts a wide range of professionals involved in the electric power transmission and distribution sector (T&D). The event is expected to welcome energy professionals, including more than 800 speakers and 700+ exhibitors showcasing technologies and services shaping the grid's future.

### Attendee Profile

Typical attendees include utility executives and leaders, grid operators, and engineers involved in transmission and distribution planning, operations, and modernization. It also draws technology providers and solution vendors offering innovations in areas like grid automation, smart grids, cybersecurity, and electric vehicle infrastructure, as well as project developers, policymakers, regulators, and energy transition stakeholders seeking insights, networking, and collaboration opportunities. The event's diverse audience reflects the broad industry focus on reliability, resilience, digitalization, and renewable integration.
