

MEET AMERICA'S
BRIGHTEST CITY

**AFCEA International
WEST 2026 – AFCEA & USNI**
Tuesday, February 10th – Thursday, February 12th, 2026
Anticipated Attendance: 9,000

Group Description

WEST (West Coast Sea Services) is a major naval conference and exhibition that is co-sponsored by AFCEA International (Armed Forces Communications and Electronics Association) and the U.S. Naval Institute, The Premier Naval Conference and Exposition on the West Coast. The goal is to explore and develop technology solutions that support maritime operations, both now and in the future. Attendees engage in discussions on evolving threats, warfighting readiness, and how to maintain competitive advantages in sea service operations.

Attendee Profile

WEST connects the industry professionals who design and build the platforms, equipment and weapons with the designers of communications and technical systems. To complete their missions successfully, more than 150,000 professionals in the U.S. Navy, Marine Corps and Coast Guard who live in the San Diego area depend on the open discussions and valuable networking WEST provides. Senior military and government officials talk directly to the operators to gain valuable feedback directly from them. Industry leaders attend because they can connect with decision makers and operators over the three-day event.
